

Applied Behavior Analysis (ABA)

Applied Behavior Analysis (ABA) strategies include a set of powerful techniques used to teach new skills, increase communication, promote independence and decrease challenging behaviors.

Session Descriptor: ABA techniques including task analysis, motivation and reinforcement, errorless learning, and discrete trials will be shared. Teachers will create plans for successful classroom environments using schedules, room set-up, prepping peers and supports. Improving behaviors will be covered as well. There will be opportunities to practice hands-on skills through modeling.

Date:

December 9, 2010

Time:

12:30 pm- Registration

1:00pm-4:00pm- Training

Location: ESC of Lorain County 440-324-5777
1885 Lake Avenue, Elyria, OH 44035

From I-90 and Route 2:

Take the Rte. 57 South Exit for Elyria. In approximately 1/8 mile, there will be an exit for Griswold. Take Griswold Road to Lake Avenue. There will be a traffic light. Turn left onto Lake Avenue. The Educational Service Center is approximately 1/4 mile on the left.

From the Ohio Turnpike:

Take the Rte. 57 South Exit (145/8). Take Rte. 57 South to Rte. 113 West. Turn right onto Rte. 113 West. The first traffic light will be Lake Avenue. Turn right onto Lake Avenue. The Educational Service Center is less than a mile on the right.

From I-480:

Take I-480 West. It becomes Rte. 10. Take Rte. 10 to the Rte. 57 North Exit. Follow Rte. 57 North. You will pick up Rte. 113 West at Center Ridge Road (Cleveland Street). Continue on Rte. 57 North and Rte. 113 West. Rte. 57 will make a right turn, but stay on Rte. 113 West to Lake Avenue. Turn Right onto Lake Avenue. The Educational Service Center is less than a mile on the right.
